

Heart for Asia. Hope for Billions.

OMF International - Canada Financial Partner Pledge Form

OMF International - Canada facilitates partnerships by helping the Christian community send people to share Christ's love in all its fullness with East Asia's peoples around the world. While serving, they are empowered by your prayers and sustained by donations from the Christian community. Since you have already indicated an interest in becoming a financial partner, we ask you to indicate for pledge using this form. We release candidates for service when their ministry activity is fully funded, so an indication of your support commitment is very helpful for planning purposes.

- Donations may be made by mailing a cheque to our office or by using a credit card or PayPal to donate on-line via our website at www.omf.ca. The on-line service is facilitated by CanadaHelps.org and you will receive a receipt for your donation to OMF directly from them. To ensure your gift is credited to the correct account, please select the worker you wish to support by name from the drop-down menu.
- If you desire to give on a regular basis, you may do so through CanadaHelps.org on your credit card or directly to OMF by monthly automatic withdrawal from your bank account. (Please contact our Finance Team at the number below.)
- Donations to the ministry programs of OMF International - Canada are tax deductible.

For more information, please phone OMF's Finance Team at 1-888-657-8010 or contact us through our website at <https://www.omf.ca>.

Please return this completed form to the address below or email to ca.cca@omfmail.com.
