

6 WAYS TO REACH GOD'S WORLD

LEARN. PRAY. GO. SEND. WELCOME. MOBILIZE.

Video Series Discussion Questions (two sessions)

In this video series we describe six ways to reach the peoples of his world: learning, praying, going, sending, welcoming and mobilizing. This is not a new idea. Other organizations and missions-minded people have similar descriptions. However one tries to capture this idea, it is clear that we as Christians need to find our role or roles in God's redemptive plan. Might God have you engage more deeply in one of these? As you work through these discussion questions after viewing the videos, ask the Lord to show you the ways he has uniquely gifted you for his purposes in the world.

LEARN

- How have you learned to see the world through God's eyes?
- How will intentional learning about God impact the world?

PRAY

- What types of things are you afraid to ask God for when praying for God-sized impact in the world?
- Someone once said, "History belongs to the intercessors." How does this idea change your mindset about prayer?

GO

- When looking at Jesus' life, what examples of "going" do you see?
- If you could do any type of work in another country, what would you do?

SEND

- What barriers usually keep people from giving or being a sender?
- Why is it important to be a sender? What blessings are there in sending?

WELCOME

- How do you know if you are a welcomer?
- If we are really getting future leaders and top students from other countries, what impact could we have if we make an effort to welcome them and show them God's love?

MOBILIZE

- In what way did Jesus mobilize people?
- What are some ways that you could mobilize?
